Dear Friends

As many of you know the history of Clarke Foley is one of a pioneering spirit and philanthropy. This is in our DNA and during the current health issues, my view has been that we stay open for us as long as it is safe to do so.

Following the announcement by the Prime Minister on the evening of Monday 16th March 2020, the time has come for us to temporarily close our doors and to cease all activities and events at our venue until further notice.

We do this with a heavy heart as we know our venue is a lifeline and a second home for our older friends in the community. We are working on plans at CF and together with our fabulous community partners to find ways to support and stay connected to all of them.

We wish you all good health during this time and we look forward to welcoming everyone back in the very near future.

With very best wishes

Ruth.
